6th International Conference on Intercultural Education “Education and Health: From a transcultural perspective”

Message from Guest Editors

Encarnación Soriano-Ayala*, Christine Sleeter, Maria A. Casanova

We are pleased to present this special issue of *Procedia Social and Behavioral Sciences Journal* for the selected revised papers presented in the 6th International Conference on Intercultural Education. Education and Health: From a transcultural perspective (Eduhem, 2013) held on November 7-9, 2013, at the University of Almería, Spain.

The papers are related to the following themes: Education for Health, Transcultural Health Researches, Intercultural Mediation within the Health Care System, Nutrition and socio cultural factors, Healthy Habits, Differences and similarities regarding cultures, Physical Education, Mental Health and migrations, Education, Health and gender, Sexual Education, Emotional Health, Poverty and Health, Development Cooperation and Health, Vulnerable Groups, Innovation in Public Health Education, Medical Anthropology, Health policies, Information and Communications Technology in Education and Health, Mass Media, Intercultural Education and Health, Advertising and Health, Development of socio-emotional skills, Living together in school, Bullying, Cyber Bullying, Education against gender violence, Education and resilience, Democracy and Ethical Education, Drugs and Alcohol, Use and abuse of social networks, Cultural Identity, Poverty and social discrimination, Music Therapy, Nutrition and Health, Family, education and Health, Friendship and peer relations, Environmental Health Education, Self-concept and self-esteem, UN Convention on the rights of persons with disabilities, Body Image, Obesity in children and adolescents.

Scholars from all over the world contributed to this issue of the journal. A total of 303 papers have been submitted to the conference. Each paper has been peer reviewed by the reviewers specialized in the related field. At the end of the review process, a total of 106 high quality papers were selected and accepted for this publication.

Special thanks are given to all the reviewers, the members of the Scientific Committee and Organizing committee. We would also like to thank all who contributed to every process to improve the quality of this issue.

We hope that you enjoy the reading of the papers
